DEPARTMENT OF FOOD AND PUBLIC DISTRIBUTION
KRISHI BHAWAN, NEW DELHI-110001

New Delhi: 30th September, 2015

Dear *Sr./Madam,*

Please refer to the quarterly advisories issued vide D.O. letters of No. 9/6/2010-PD-II/Vol.II including my last D.O. letter dated 11.06.2015 regarding lifting of the allocated foodgrains and various measures to be taken for strengthening and streamlining of Targeted Public Distribution System (TPDS).

2. Government has enacted NFSA which has come into effect on 05.07.2013 and the States/ UTs were required to implement the Act upto 04.07.2014. However, so far only 18 States/UTs, viz., Bihar, Chhattisgarh, Delhi, Haryana, Himachal Pradesh, Karnataka, Madhya Pradesh, Maharashtra, Punjab, Rajasthan, Tripura, West Bengal, Chandigarh, Lakshadweep, Jharkhand, Telangana, Uttarakhand and Puducherry have implemented/partially implemented the Act. The Govt. has allowed the States to implement the Act upto 30.09.2015 and the States are advised to implement the Act within the extended period.

3. This Deptt. has been making allocation of foodgrains under existing TPDS/NFSA and also additional APL and BPL category, which are at highly subsidized prices. The additional APL and BPL allocation have been made during the current year upto 30th September, 2015 or till implementation of NFSA, whichever is earlier, in the non-NFSA States/UTs. However, it is a matter of concern that the lifting upto August, 2015 is not complete in respect of many States/UTs and it is very low in the case of some States/UTs. It has been observed that under existing TPDS, the lifting is not satisfactory in the case of Andhra Pradesh(65.2%) and Jharkhand(74.1%). In the case of Telangana(24.1%), D&N Haveli(14.5%) and Puducherry(16.7%) also, the lifting is very low. Under NFSA, the beneficiaries have a legal right to receive foodgrains in time. However, under NFSA it has been observed that in the case of Bihar(69%), Chandigarh(81.1%) and Madhya Pradesh(77.4%) also, the lifting upto August, 2015 is low and very low in the case of Punjab (9.9%). The State-wise lifting position upto August, 2015 is at **Annex-I**.

4. Under the additional BPL allocation, the lifting upto August, 2015 is only 80%. It is low in the case of Andhra Pradesh(68.5%), Arunachal Pradesh(78.9%), Jharkhand(67.3%), D&N Haveli(70.7%) and very low in Goa(18%), Jammu & Kashmir(26.7%), Telangana(18.9%), Daman & Diu(3.6%) West Bengal(46.3%), Uttarakhand(38.4%), Puducherry(8.2%) and A&N Island(0%). Under the additional APL allocation, the lifting upto August, 2015 is only 78%. It is low in the case of Andhra Pradesh(47.7%), Odisha(51.4%), D&N Haveli(70.2%) and very low in Jharkhand(1.7%), Telangana(20%), Daman & Diu(4.3%) and Puducherry(0%). The State-wise lifting position of additional BPL and APL allocation are at **Annex-II and Annex-III**.

5. The States/UTs are advised to ensure complete and timely lifting of the foodgrains allocated by this Department which is at highly subsidized prices so that the foodgrains reach the targeted beneficiaries in time.

6. I would also like to refer to this Department's letter dated 16.09.2015 (a copy enclosed) wherein all States/UTs have been requested to furnish information on various aspects of implementation of TPDS in 17 proformas online. This letter has been sent vide email as well as by post to all States/UTs. I would like you to immediately furnish the online information for the period ending 31.03.2015(annually) as well as for the quarter ending 30.06.2015 so that the information can be compiled centrally in this Department. The online information for subsequent quarterly/annual periods afterwards may also be furnished on regular basis.

7. I shall be thankful if you look into the above referred issues and inform about the action taken on the same at the earliest.

With regards,

Yours sincerely,

(Deepak Kumar)
